**High Point Regional High School**

**About Us**  
The Technology Student Association (TSA) is an international Career and Technical Student Organization composed of over 150 000 Middle School and High School Technology Education students. TSA provides students opportunities to compete, lead, and learn, and our local chapter is based in the Tech Ed Department. High Point Regional High School is a public high school located in rural Sussex County, NJ where approximately 1200 students attend from the five municipalities of Branchville, Frankford, Lafayette, Sussex, and Wantage.

## Executive Board

High Point's Chapter of the International Technology Student Association is based in the Technology Education Department. In competition, we have multiple State and National Championship trophies.

### High Point Chapter Executive Board

Our TSA Executive Board consists of six high school students. Since August, we have been planning fundraisers and trips for our chapter to go on. Our chapter has had a busy TSA year! This year, our chapter has been busy fundraising for both the state and national TSA conferences. We have fundraised through bake sales, a New Jersey Devil's game, and we are hosting the 6th Annual TSA Jk on April 2, 2011.

Although each member on the executive board holds an office, we all share responsibilities in order to make things happen. As our chapter grows, we are finding more ways to communicate TSA agendas and meetings. Five of the six Executive Board members will be attending college next fall, so we will all be looking forward to the state and national TSA conferences this year!

#### President – Emily Slate

#### Vice President – Diego Cantillano

Hello TSA! My name is Emily Slate and I am High Point's TSA Chapter President. I am currently a high school senior and have been involved with TSA for four years. Last year, I was our chapter's Treasurer. Throughout high school, TSA has been my favorite organization. I have dedicated the last three and effort to our school's chapter. I am graduating from high school this spring and will be embarking on a new journey while studying nursing at Seton Hall University in the fall.

My name is Diego Cantillano and I am Vice President of High Point's TSA. I have been involved in TSA throughout high school and I am currently a high school senior. Last year, I was our chapter's Treasurer. Throughout high school, TSA has been my favorite organization. I have dedicated the most time and effort to our school's chapter. I am graduating from high school this spring and will be embarking on a new journey while studying nursing at Seton Hall University in the fall.
